## Section 1 – Introduction

This booklet provides a list of Puget Sound Health Partners' network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Puget Sound Health Partners formularies. If you have additional questions, please call our Member Services at 1-866-789-PSHP (7747), between the hours of 8am-8pm 7 days a week. TTY/TDD Users should call 1-866-264-4141. Or, visit [www.OurPSHP.com](http://www.OurPSHP.com).

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Puget Sound Health Partners. In most cases, your prescriptions are covered under Puget Sound Health Partners only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription. You can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.
