

Prescription Drug Reimbursement Instructions

Thank you for choosing Soundpath Health for your prescription drug coverage. Soundpath Health requires members to use their plan issued ID card to fill prescription drugs at network pharmacies who process claims electronically. This requirement ensures that members are charged the correct amount, have safety checks, and coordination of benefits with other payers, if applicable, in real time.

Prescription drug reimbursement requests should only be in cases of emergency when a Soundpath Health network pharmacy is not able to be used. Claim denials for claims refilled too-soon, non-formulary, or other safety related reasons, will not constitute an emergency and may result in the reimbursement request being denied.

To request a reimbursement for a medication not originally processed using your Soundpath Health card, there are a few things to keep in mind for the reimbursement process to go smoothly:

1. Use the attached claim form(s) for any prescription drug reimbursement requests you may have. Please read the attached form(s) carefully.
2. Claim forms that do not include the required information may delay or inhibit our ability to process your request for reimbursement.
3. Retain copies of receipts for your records. Receipts will not be returned.
4. Claims submitted for generic OTC allergy medications will not be reimbursed if your provider did not write a prescription for the medication and it was not processed by a pharmacy.
5. Please indicate the reason for requesting reimbursement on the attached form.
 - a. *Please note that if the reason is due to **Coordination of Benefits** – Claims must be submitted with pharmacy receipt(s) identifying copays paid **and** an Explanation of Benefits from the primary carrier (or pharmacy prescription records showing primary insurance payment).*

Manual submission of claims does not guarantee reimbursement. If the prescription drug(s) is Non-formulary or has Prior Authorization, Step Therapy, Quantity Limits requirements or is restricted in some other way, we will make a Coverage Determination according to our Coverage Determination and Exceptions process.

Please submit completed form(s) and pharmacy receipts in one of the following ways:

1. Mail to: MedImpact Healthcare Systems, Inc.
PO Box 509108
San Diego, CA 92150-9108
2. Fax to: 858-549-1569
